

GCM Peer Exchange

Bobuin was in Ghana for the GCM Peer Exchange organized by UN Migration. His intervention was on the use of the African Union Transitional Justice Policy in addressing the triple pronged; migration, human mobility and climate change. It's evident; safe migration can become a reality

SJI Participatory Grant Seminar

Karen attended the SJI Participatory Grant Making Seminar in Johannesburg

2-Day Capacity Building

CSVr hosted a capacity building to capacitate leaders from different sections of the community as part of the development of a community led GBV prevention strategy in Honeydew at Emthonjeni Community Centre in Zandspruit.

5km Colour Walk

CSVr, FirstRand and Xumana Sibambane united in a colorful stride against gender-based violence.

COMESA

Tsamme, Mary and Andrew traveled to Lusaka, Zambia, to have a bilateral engagement and potential working relationship with the COMESA Governance, Peace, and Security unit. The meeting was very knowledge sharing and insightful.

ECOSOCC

CSVR Adocacy team also visited the African Union Economic, Social and Cultural Council (ECOSOCC) offices in Lusaka, Zambia, where they officially met with William Carew (Head of ECOSOCC Secretariat) and Kyeretwie Osei. The visit was also to see points of collaboration and synergy.

SGBV Prevention Strategy

A multidisciplinary CSVR team (Advocacy, MHPSS, Gender) facilitated a stakeholder dialogue on the development of a community led SGBV prevention strategy in Delft. The discussion focused on the drivers and root causes of SGBV in the community and strategies that community members can implement to curb the shadow pandemic of SGBV

Film and Art Festival

Sinqobile and Lesego showcased the *Conflict-Related Sexual Violence in Africa* video at the Ford Foundation: Film and Art Festival. The video highlighted how women and children are threatened by violence against them during the armed conflict because political unrest has made them more susceptible to the dangers of war.

Trauma-Informed Organisational Wellbeing

Elizabeth, Mpfareleni and Tsatsawani held a graduation ceremony for the Abahlali BaseMjondolo in Durban, for completing the Trauma-informed organizational wellbeing program, under the Ford Rh project.

Scorecard Study: NSP-GBV

CSV in partnership with Firstrand and Hurisa launched the Score study on the localisation of the NSP-GBV. The launched highlighted the key emerging themes and issues from the communities that were surveyed.

UCD Centre

Dr Simangele Mayisela, Naledi and Liezelle went on a fundraising trip to Ireland. Naledi and Liezelle presented at the UCD Centre discussions on Community Engagement and Justice and Accountability for Survivors of Conflict-related Sexual Violence.

16days of Activism Webinars

The gender team hosted two webinars for #16daysofActivism. The webinars were dedicated to exploring how everyone understands the importance of 16 days of activism and enhancing the advocacy, communication and awareness of GBV during 16 days of Activism.
