

OPFINBC Strategic planning

Operations, finance and Business Continuity held their strategic planning retreat in Cape town to strategise about 2024 goals and targets. The team came up with great objectives and looking forward to seeing them materialise in the new year.

GIZ Partnerships

Nonsi attended the GIZ Partnerships for Prevention of GBV in Southern Africa Social Innovation Lab for the South Africa team. The team is made up of experts working on GBV in South Africa to imagine New approaches for GBV prevention.

CSV Wellness day

As part of Mental health Awareness Month, the MHPSS team held a wellness day for the CSV Staff. The day consisted of a Sip and Paint and mindfulness session.

#PAFOM23

Bobuin was in Botswana for the #PAFOM-8. As African Union ambassador, He engaged with Champion Countries of the GCM to advocate for more states to ratify the AfCTA. This is key for unlocking the full potential of Africa and particularly youth who are the dominant demographic.
