

Women in Philanthropy

Nonsi and Carol attended the Women in Philanthropy event. The purpose of this event was to have men and women come together to share their success and challenges about working in the civil society. This was platform for people to network and collaborate for Impact.

GBVF interventions

Elizabeth, Charlotte and Tsholo were in KZN doing capacity building on incorporating MHPSS and Advocacy in GBVF interventions: Trauma-informed Lense. We did this for the KZN CBOs under the First Rand Project.

Psychological Society of South Africa

Prof Langa attended the Hope and Healing event hosted by the Psychological Society of South Africa. He was on panel to discuss the Global Indigenous Psychologies: Movement Toward Healing Historical Harms.

Asikhulume

Elizabeth was on Asikhulume on SABC to discuss the prevalence of Gang violence in South Africa. She shared insights of how violence affects communities.
